WELCOME

Mayor's Welcome

Welcome to our beautiful city – a premier destination to live, work, play and invest in!

I'm Gary Philipchuk, Mayor of Warman. My family and I have called Warman home for over 20 years. I've served on Council since 2003 and as Mayor since 2020.

When meeting new and long-time residents, I often ask, **"Why Warman?"** The answers vary—safety, peaceful neighbourhoods, beautiful green spaces, the quality of city services, the small-town feel, the growing business community or recreation and leisure opportunities. City Council values these diverse perspectives, reinforcing that there is something that stands out for everyone in Warman.

WARMAN IS A SAFE COMMUNITY:

Warman benefits greatly from the organizations and volunteers who protect our community. This includes the RCMP, Warman Fire Rescue, Neighbourhood Watch, Bylaw, Warman Emergency Response Team and the Emergency Measures Organization. In addition to ensuring our safety and security 24/7, these organizations are heavily involved with a variety of initiatives and events throughout the year, thus strengthening our tight-knit community.

SCENIC PARKS AND GREEN SPACES:

Our city's parks system is well-planned and well-maintained. It provides over 200 acres of beautiful outdoor areas for residents of all ages to enjoy around the community. Residents are able to take advantage of more than 15 kilometres of walking paths, playgrounds (including one fully accessible for all abilities to enjoy), sports fields, a skate park and BMX track, cross-country ski trails, outdoor rinks, a crokicurl rink and much more. Our Recreation & Community Services Department provides amazing care and maintenance of these facilities.

*Proud to
"Call it Home!"*

EXPANSIVE RECREATION AND LEISURE:

Residents of all ages have options to stay fit, to learn a new activity, to connect with new friends and to just simply have fun in Warman. The Warman Communiplex is a hub for many city, regional and province-wide events. The completion of the arena expansion project at the Communiplex by this fall will undoubtedly attract even more events to our city. Residents and visitors are also able to hit the links at one of the province's premier golf courses – The Legends Golf Club. Warman also offers great opportunities for networking at events such as WOBE (Warman's Open for Business Exhibition), the Cheer Classic, Warman Arts Centre programs, Warman Senior Centre, and the Farmer's Market....just to name a few.

WELCOME TO WARMAN

EXCELLENT INFRASTRUCTURE:

Warman is well-cared for and we are constantly forecasting needs. Warman City Council is committed to smart financial planning so that our community can flourish now and in the future, and we are dedicated to creating a wonderful, inclusive community for everyone. Warman City Council is a positive voice for those who live, work, invest and play here.

A GREAT PLACE TO RUN A BUSINESS:

While visiting Warman's many new and long-standing businesses, I always take pride in hearing how vibrant and cohesive the owners feel our business community is. Everyone wants to see Warman continue to grow, and we're all working towards that common goal. Business owners also rave about our residents, and they truly appreciate a welcoming and supportive customer base. The City of Warman is always excited to help businesses get off to a strong start and stay strong. We're grateful to have many entrepreneurs and such tremendous investment in our community.

INCREDIBLE SCHOOLS:

As a now-former Vice Principal at Warman High School, and with two children who attended elementary and high school in the community, I am well-versed in Warman's education system. There are six schools in Warman. The faculties at Prairie Spirit School Division, Greater Saskatoon Catholic Schools and Great Plains College are dedicated to teaching our youth the knowledge and skills they need to reflect on all of the opportunities and to succeed in life.

Mayor Gary Philipchuk

For those interested in moving to Warman or learning more about our city, the Guide to Warman is a great place to start. And, I'd love to hear from you as well. I welcome you to reach out to me at: garyp@warman.ca.

Local Love

**Warman is a loved community!
Here's what residents have to say
about why they love their city.**

A Safe and Welcoming Community

For many, the safety and friendliness of Warman are what set it apart. Gwen J. appreciates the city's commitment to keeping the community "green and growing, tidy and cared for. I love the safe feeling of a 'small town.'"

New residents, such as Jess C., feel an immediate sense of belonging: "We only moved to Warman seven months ago but have been coming to the city for years. We knew for a long time that we belonged here. We love it!" Dorothy G. echoes this sentiment, stating that moving to Warman to raise her children in a "smaller town" was the best decision: "Now I can't imagine living anywhere else."

Local Attractions and Parks

Warman is home to a variety of events and activities that bring the community together. Anne S. looks forward to the annual Christmas Craft Sale, calling it her "favourite event of the year." Meanwhile, Julie N. and her family never miss Warman Days, with its exciting activities and fair rides.

For those who enjoy outdoor activities, Warman offers ample green spaces. Kerry V. values the dog park, where she has

"made many friends and connections" while enjoying time with her pet. Ashley P. highlights the beauty of the city's parks and walking paths, and Billy B. loves evening family walks, noting how welcoming and friendly the community is: "Almost every person we walk by at least smiles and nods or says 'hi.' It exemplifies how safe this city is."

"I like how we get the best of both worlds here. I'm from a small town and I feel so at home here for safety and community, yet enjoy all the amenities of a city. Love it here!" - Ashley L.

Food, Shopping, and Local Business

The city also boasts a strong local business scene. Sean B. praises the dining options, describing Warman as "a lovely, well-maintained, safe, friendly community with awesome food." Jolene W. enjoys the variety of shops and the welcoming atmosphere, saying, "I love the friendly people, the safety, and the amazing options for shopping!"

Recreation, Sports and Wellness

Recreation facilities play a big role in the community's appeal. Kirk O. appreciates the city's "plenty of green spaces, trails, and recreation facilities" and the friendly residents who make Warman feel like home. The Legends Golf Course is a highlight for Chris W., who enjoys the "small-town feel, great parks and playgrounds, and an amazing golf course."

For sports enthusiasts, Warman has plenty to offer. Lori D. enjoys cheering on her grandchildren at the hockey rinks ("Go Wildcats!") and playing pickleball at the Communiplex. Seniors like Elaine M. appreciate programs like *Forever in Motion* at the Communiplex, helping them stay active and socially connected. "A good stretch for the body and a visit with new and old friends."

"The Warman Community Library is great. The staff is wonderful and there's nothing like being surrounded by books. I can order in pretty much anything I'm interested in reading, watching, or listening to." - Tamara S.

"Warman is a friendly and beautiful city!" - Nettie L.

Magic and Fun in the Winter

Warman's charm extends through all seasons. Residents like Pam R. love the city's Christmas lights and the 'Best Display' contest, which adds a magical touch to winter. Don L., who moved from a larger city, appreciates the efficient snow removal and neighbourly support during the colder months. "Having moved from a much larger city, the snow removal here as well as the neighbour support with their snowblowers is absolutely awesome!"

"The community feel is pretty special. I'm so fortunate to have met so many people in the most random ways who have become great friends. I've not had that experience anywhere else."

- Dawn W.

"We love our neighbours!
Warman is fantastic!" - Angeline L.

A Strong Sense of Community

Whether it's through local programs, emergency services, or simply the kindness of neighbours, Warman's residents take pride in their city's strong sense of community. Amanda I., who moved from a high-crime area, feels reassured by Warman's safety: "My children are most important to me, and I feel that they are safer in this community."

Warman Fire Rescue also makes a lasting impact, as noted by Anne S., who was delighted to see firefighters setting up a slip and slide for kids during a summer heatwave. "I'm sure the kiddos had a blast!"

A Place to Call Home

For many, Warman is more than just a city—it's home. Gwen J. sums it up best: "Warman is a place where neighbours are friends. We love the 'small town' vibe we get here."

Ashley D. echoes that sentiment, simply stating: "Warman feels like home!" And for Kristie V., who has moved around for work, Warman is a favourite: "It allows us to be closer to family and gives a small-town feeling while having the amenities of a city nearby!"

With its friendly residents, excellent facilities, and strong community spirit, it's no wonder why so many people love living in Warman. Whether you're new in town or have been here for years, there's always something to appreciate about this vibrant city.

Warman City Council

Our City Council, or governing body, plays a vital role in shaping the future of Warman. They provide leadership, establish policies, and make key decisions that impact the daily lives of residents. By working together, council members determine which services are offered and ensure they are delivered efficiently and effectively.

Warman is governed by a City Council consisting of the mayor and six councillors, each elected to serve a four-year term. The current council is in office from 2024 to 2028. Their responsibilities include overseeing important services such as bylaws, road maintenance, water and sewer systems, snow and waste removal, economic development, recreation facilities and programs, and crime and fire prevention, among others.

City Councillors are here to serve the community, so don't hesitate to reach out with questions, concerns, or ideas. They are always happy to connect and assist!

Get to know your City Councillors! We interviewed our new and returning Council members to get to know them a little better. Here's what they had to say!

Mayor Gary Philipchuk

What sports do/did you play? I played lacrosse, hockey, and football. Now I enjoy pickleball and I also golf at the Warman Legends Golf Course.

What fictional character would play you? Ted Danson from Mr. Mayor or Gary from Team America.

What is your favourite food? Lobster and beef ribs.

What was your favourite tv show as a kid? The Flintstones and Gilligan's Island.

What was your first car? A New Yorker bought at an auction, but it died on the way home.

What posters did you have on your wall as a teenager? Three's Company, Bobby Clarke and a Philadelphia Flyers team photo.

What would be the title of your biography? "Perseverance Conquers All" or "Carpe Diem."

Deputy Mayor Kevin Tooley

What music do you listen to? A bit of everything, but I always enjoy a little 80's hard rock.

What actor would you cast in a movie to play you? Obviously, Dwayne "The Rock" Johnson; he already has the same hairstyle!

What was your worst hairstyle that you thought was cool at the time? I reluctantly admit there was a Vanilla Ice phase that influenced the hairstyle! Unfortunately, the days of being able to be "rollin' in my 5.0 with my rag-top down so my hair can blow" are long gone!

What was your favourite tv show as a kid? Anything WWE, and the glory days of Saturday morning cartoons.

What posters did you have on your wall as a teenager? I was a WWE fan in those days, so there would have been some of wrestling's biggest superstars on the wall.

Councillor Marshall Seed

What sport do/did you play? Baseball, football, kickboxing, basketball, wrestling.

What's your favourite food? Vietnamese or Mexican or BBQ!

What was your favourite tv show as a kid? Dukes of Hazzard.

What movie could you watch over and over again? The Godfather.

What was the worst hairstyle that you had and thought was cool at the time? Definitely the rat tail...

What is the coolest job you ever had? Working as a City Councillor. It is intense, rewarding, overwhelming at times, fun, and overall a remarkable experience, working on behalf of my community.

What would be the title of your biography? "Make Excuses or Make Results."

“Thank you to our Councillors for the time and effort they dedicate to our city!” – Christine M.

Councillor Chris Mason

Who is your favourite band? Bon Jovi.

What actor would you cast in a movie to play you? Vince Vaughn.

What was the most unusual job you ever had? I worked at a chicken hatchery.

What was your favourite tv show as a kid? Dukes of Hazzard.

What was the worst hairstyle that you had and thought was cool at the time? Mulletts.

When you were a kid, what did you want to be when you grew up? Hockey player.

What would be the title of your biography? "I'm Here For a Good Time, Not a Long Time."

Councillor Tracy Johnson

What sports did you play? I played basketball at collegiate and university levels.

What was your favourite tv show as a kid? Looney Tunes, David Attenborough animal shows and Star Trek.

What movie can you watch over and over? The Breakfast Club and Ace Ventura.

What was your first car? A 1977 Pontiac Firebird "Skybird" special edition (it was my mom's).

What posters did you have as a teenager? Spud Webb, Hakeem Olajuwon, Patrick Ewing, Michael Jordan, David Robinson.

What would be the title of your biography? I actually am writing my story and have chosen the title "A Leg Up."

Councillor Richard Beck

What music do you listen to? U2, Matthew Good Band, The Killers, Neil Diamond, Otis Taylor, Xavier Rudd.

What is the coolest job you have ever had? Warman City Councillor. I enjoy the collaboration, and keeping current on municipal concerns.

What was your favourite tv show as a kid? Miami Vice, Airwolf, The Six Million Dollar Man, Dukes of Hazzard.

What was your first car? '77 Grand Prix - 454 HP w overdrive engine and a sunroof! No wings needed to fly and more comfortable than the Boeing Dreamliner!

What's your favourite meal? My garlic herb whipped potatoes with gravy, a side of Marshall Seed's smoked brisket & a huge bowl of Grace Beck's Caesar salad with a complimentary drink on the side.

What would be the title of your biography? "Resilient to a Fault."

Thriving Business

Thriving businesses are the foundation of a strong community. You can help!

We are fortunate in Warman to have a wide range of businesses. Most of these are owned by neighbours, friends, and family who create jobs, boost the local economy, and support community initiatives.

Try to shop local and use locally owned services when you can, but additionally you can buy gift cards which make thoughtful gifts and encourage others to shop local. Tell your friends about the goods and services available in Warman, and share on social media. Leave a kind review online.

By choosing to support our local businesses you are investing in our community's future. Together, we build a thriving community—one strong business at a time.

DID YOU KNOW?

Investing in Warman businesses boosts our economy. Every \$100 spent locally generates an extra \$36 in value. Even a 10% shift to local shopping makes a big impact. Let's keep our money here!

City FAQ's

“I appreciate the commitment of the City and the residents to keeping the community green and growing, tidy and cared for.” - Gwen J.

Here are some key questions residents often ask:

Can I invite the Mayor to an event?

Yes! The Mayor and Council are happy to attend business openings, classroom talks, and community events. To request a visit, email: execassistant@warman.ca.

How do I book a recreational facility or campground?

For City facilities, check availability at warman.ca/177 or call 306-933-2210. Campground bookings can be made via a link on the warman.ca homepage.

Who do I contact if my garbage or recycling cart wasn't picked up?

For missed black or blue cart pickups, call Loraas Customer Service at 306-242-2300.

When will snow be cleared from my street?

Priority 1 roads are cleared first, followed by Priority 2 roads. Residential streets are addressed as time permits. View the Priority Road Map at warman.ca/556.

Do I need a permit for fireworks?

Yes, unless it's Canada Day or New Year's Eve on private residential property. For all other displays, a permit is required.

Where can I find cemetery information?

Visit warman.ca/118 or call 306-385-2321.

For more information, visit warman.ca or contact the appropriate department.

Where Your Property Taxes Go:

- Streets, paths & sidewalks
- Fire & RCMP protection
- City facilities, parks & recreation programs
- Garbage & recycling pickup
- Snow removal & road maintenance
- Streetlights, signage & bylaw enforcement
- Cemetery services & more!

DID YOU KNOW?

Residents can direct the provincial education portion of the Education Tax Allocation to either Prairie Spirit School Division (PSSD) or Greater Saskatoon Catholic Schools (GSCS). If no choice is made, it defaults to PSSD. Education tax makes up slightly more than one-third of your total property tax.

We'll help you find the right coverage for your needs!

Cool Things to Do

Enjoy the snowy landscape and take part in the fun winter activities Warman has to offer.

TOBOGGANING

What could be more thrilling than racing down a slick slope at top speed? There are four toboggan hills just waiting for you!

- Diamond Hill Park
- R.J. Gidluck Park
- Zane Dmytryshyn Park
- Prairie Oasis Park

SKATING

Warman has three amazing outdoor ice surfaces perfect for family fun:

- RJ Gidluck Rink (behind the Fire Hall on 4th St. W.) has boards, lights, a warm-up room and washroom
- Prairie Oasis Park Rink has boards, lights, a warm-up room and washroom
- Lion's Park Rink has lights but no boards. It is perfect for leisure skating (no hockey sticks allowed)

All outdoor ice surfaces are unsupervised so please be respectful of all users. You'll also notice areas cleared for skating at park ponds. Be sure it's safe first!

CROSS COUNTRY SKIING

Get some exercise and fresh air on the groomed cross country ski trails behind Lions Park. The entrance to the trails is through the parking lot of Arthur Neufeld soccer pitch.

SNOWMOBILING

Groomed snowmobile trails marked by the Saskatchewan Snowmobile Association run along Warman's east and north edges. The city's snowmobile bylaw allows riders to take the most direct route from home to city limits. Snowmobiles must be registered, and off-trail riding on private property without permission is trespassing.

CROKICURL

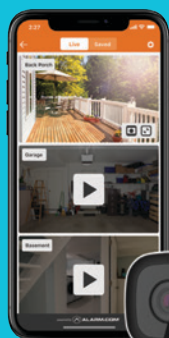

On a nice day, head over to the Diamond Rodeo Arena parking lot to test your skills at Crokicurl! The rocks are there and it's first come, first served.

Recreation Programs

The City of Warman's Recreation and Community Services Department provides a wide variety of programs, classes, and drop-in opportunities for people of all ages.

No matter your interests—whether you're into sports or prefer creative activities—check out the programs offered by the City of Warman. Most programs are hosted at the Warman Communiplex and include fitness classes, preschool, youth, and teen activities, adult programs, and active adult sessions. Drop-in sports like pickleball, basketball, badminton, volleyball, walking, public skating, and shinny are also available.

Programs run each season. Registrations are accepted on a first come, first served basis until classes are full. Drop-in passes are also available. Classes fill up quickly and will be cancelled if we have not reached our target attendance, so register early.

The Crystal Lake Neighbourhood offers a wonderful trail system that links several parks and provides serene water views around Crystal Lake. It's an ideal spot for leisurely walks or bike rides. The neighborhood is also home to Warman's Disc Golf Course and features multiple parks with playgrounds and open green spaces, perfect for running, kite flying, or a friendly game of catch.

Crystal Lake **Neighbourhood Parks**

CRYSTAL LAKE PARK

Located at Crystal Springs Drive and 4th Street West, this scenic park is one of Warman's gems. Featuring a lake with a fountain and a walking trail, it's ideal for kayaking or paddle boarding. Benches along the path invite relaxation and conversation.

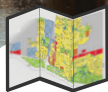

KESSLER PARK

This spacious park, nestled between Brookside Drive and Lakeridge Drive, boasts a walking path and park benches as well as being the starting point for the Warman Disc Golf Course, which carries on into Zane Dmytryshyn Park.

ZANE DMYTRYSHYN PARK

Zane Dmytryshyn Park is located on Brookside Drive and is part of the Crystal Lake Park System. It features a walking path, benches and a toboggan hill as well as part of the Warman Disc Golf Course that runs between Kessler Park and Zane Dmytryshyn Park.

“I love how welcoming Warman is for outdoorsy people. Sleds and campers everywhere and you know your neighbours all love that atmosphere too.”
- Tracy P.

MAP IT! Find the parks on the map at the back of the guide!

CENTENNIAL PARK

Centennial Park, named for Saskatchewan's centennial, is a hidden gem west of the 400 block of Crystal Spring Drive. With picnic tables, benches, and a modern play structure with safe surfacing, it's a perfect spot for kids!

BROOKLYN PARK

Bring your little ones to this charming park on Brooklyn Crescent, where they can enjoy a play structure designed for active fun. The park also features toddler swings, making it an ideal spot for younger children to play and spend quality time outdoors!

DISC GOLF:

Grab some friends and play a round of disc golf. It's free to play, and there's no need to book ahead, but you'll need to bring your own discs. The goal is to complete the course by getting your disc into a metal basket with the fewest "throws"—much like "strokes" in traditional golf. It's a fun way to spend an afternoon!

Visit Warman's northeast side near The Legends Golf Club to explore the area's scenic walking paths and charming parks. With playgrounds, picnic tables, plenty of benches, a football field and a toboggan hill, these parks are ideal for long walks and family fun.

Legends **Neighbourhood Parks**

R.J. GIDLUCK PARK

R.J. Gidluck Park, next to the Warman Communiplex, offers walking and biking paths, a football field and a toboggan hill. Adjacent to Warman Community Middle School and its playgrounds, the park also features benches to sit and take in the scenery.

RICK UNGER PARK

Rick Unger Park is in the picturesque Legends area on Player Crescent, just west of The Legends Golf Course. It features picnic tables, park benches, and swings that kids will love as well as an exciting CSA-certified play structure providing a safe and fun experience for children of all ages.

LINDA SCHAEFER PARK

Linda Schaefer Park in the Legends area connects Deer Meadows through to 6th Avenue North. This is a linear park that loops through a number of neighbourhoods with a network of walking paths and park benches. Relax and enjoy the view!

R.J. Gidluck Park

Rick Unger Park

Linda Schaefer Park

DID YOU KNOW?

These parks are named after the first Warman Golf Board members: Larry Nelson, Larry Eber, Jack Berglof, Walter Davis and Corney Klassen. These members spent many years advocating, volunteering and fundraising, then overseeing the construction of Warman's first golf course, which was located on the south side of Warman. These men played a key role in the success of The Legends Golf Club today.

JACK BERGLOF PARK

Jack Berglof Park is located off Glen Abbey Boulevard or Casper Crescent. It features a CSA certified play structure, walking paths, park benches and picnic tables for great family fun.

LARRY NELSON PARK & LARRY ERBER PARK

These parks are perfect for when you want to go for a run or walk, with park benches for breaks along the way. This long, linear park space stretches from Ballesteros to Snead Crescents.

WALTER DAVIS PARK

Walter Davis Park is located off Augusta Boulevard or Palmer Crescent. It features a walking path, park bench and a view of The Legends Golf Course.

CORNEY KLASSEN PARK

The most recent addition to Warman's park network, Corney Klassen Park spans between Palmer Crescent and Weir Court, adjacent to The Legends Golf Course. Ideal for dog walking, it offers picturesque scenery for you to enjoy.

Warman's central area parks offer a wide range of activities for every season. In the summer, enjoy picnics, the spray park, playgrounds, and sports like soccer, sand volleyball, pickleball, and more. Winter brings cross-country skiing, skating, and tobogganing. And don't forget—the dog park is a favourite destination all year!

Central Warman Neighbourhood Parks

LIONS PARK

Lions Park on 9th Avenue North has many amenities, such as a playground, picnic tables, spray park, sand volleyball, horseshoes, tennis/pickleball courts as well as soccer pitches and a softball diamond. In the winter you'll find skating and cross country skiing. Washrooms are on site.

BOOK IT: The Lions Park gazebo is perfect for get-togethers! Contact the City at 306-933-2210 to reserve. It's free!

DIAMOND HILL PARK

Diamond Hill Park, located on 4th Street North, features fantastic playground equipment and play structure, a soccer pitch and a toboggan hill. (No washroom facilities available in the winter.) The soccer pitch is located on the west side of the park.

Lions Park Spray Park

TENNIS/ PICKLEBALL:

Play tennis or pickleball at Warman's two courts that are located at the north end of Lion's Park. They feature pickleball lines in addition to regulation tennis lines.

SAND VOLLEYBALL:

Lions Park's outdoor volleyball court is groomed bi-weekly during the summer.

Diamond Hill Park

Off-leash Dog Park

NOTE IT!

Dogs must be licensed, and owners must have a leash. In case of an altercation, dogs must be leashed, and all parties must leave.

OFF-LEASH DOG PARK

On Central Street on the east side of the city, the Warman Off-leash Dog Park provides more than 20 acres of expansive open space where owners can indulge their furry friends in essential physical activity. Visitors can leisurely stroll along the pathways while their dogs are free to run, safely contained within the fully fenced area. Responsible pet ownership is emphasized, with owners expected to clean up after their pets; fortunately, numerous convenient doggy bag and disposal stations are available throughout the park.

PARKS + FIELDS

Experience Prairie Oasis Park in Warman's Southlands neighbourhood, offering a variety of activities and stunning views. Enjoy the skate park, BMX track, softball diamonds, batting cage, and playgrounds. Relax in the gazebo or picnic area, explore the well-lit pathways, and take advantage of the campground. In winter, enjoy the outdoor rink, toboggan hill, and pond skating.

Prairie Oasis Park

SOFTBALL DIAMONDS

The spring and summer evenings are packed with action as these irrigated ball diamonds are a hub for the local softball and slo-pitch leagues. There are bleachers for seating, a concession with washrooms nearby and a batting cage.

Please book prior to use.

POND AND DOCK

Enjoy a stroll around the pond or take in the view from the dock where you are welcome to launch your canoe, kayak or stand-up paddle board (no swimming or motorized craft). The views are stunning here...especially at sunset!

SKATE PARK

This awesome 14,875 square foot skate park is built to accommodate skateboards, scooters and inline skates. It features a plaza style 'street' design and an extended modern flow bowl suitable for all skill levels. Wear your helmet, be safe and have fun!

PLAYGROUNDS

Prairie Oasis Park has two playgrounds: one near the gazebo on Industrial Drive, and an accessible playground on the other side of the park behind the campground entrance, along 3rd Avenue South. Endless entertainment!

PICK IT UP!

You'll notice there are free doggy bags and disposal stations in many of the parks throughout Warman, not just at the dog park. Help us keep our city clean by always picking up after your dog!

DIAMOND BMX TRACK

The Diamond BMX Track is one of the top tracks in Canada and is used for competitive BMX biking and national competitions. This world-renowned track was designed by BMX Olympian Trent Jones and holds the first and only paved berms/corners in Saskatchewan.

OUTDOOR ARENA

Lace up your skates for a game of shinny or practice your double lutz at this fantastic 75x175 outdoor arena. It is equipped with lights, a zamboni, a warm-up room and washroom making it the perfect spot for winter fun.

PRAIRIE OASIS CAMPGROUND

Next to the pond is the beautiful 25 stall RV campground. Open for the season from May to the end of September, all sites are electrified, have water, a picnic table, and a campfire pit (wood not provided). There are washrooms and free showers on site.

GAZEBO

The Prairie Oasis Park gazebo and picnic tables, located along Industrial Drive, is a fantastic spot for gatherings or picnics. There is no cost to use the gazebo, but please book ahead if you would like to use it for an event.

Game On!

Head to one of Warman's many fantastic sports fields for a game of softball, soccer, or football. These fields provide the perfect setting for athletes of all ages and skill levels. Whether you're playing or cheering from the sidelines, you'll enjoy the great amenities these outdoor venues have to offer.

BALL DIAMONDS

PRAIRIE OASIS PARK

3rd Avenue South & South Railway Street

There are six irrigated ball diamonds (two with lights) at Prairie Oasis Park, with dugouts and bleachers. There is a batting cage, and a concession with washrooms available to rent for tournament use. Please book prior to use.

ÉCOLE WARMAN ELEMENTARY SCHOOL

403 4th Street West

The three ball diamonds behind École Warman Elementary School are typically used by younger age groups. They have bleachers but no dugouts or lights.

Warman to Host National Softball Championship

**July 30–August 3,
2025**

Canada's top young female softball players will be competing in Warman in the summer of 2025. Softball

Canada has selected Warman as the host city for the U17 Girls National Championship, taking place from July 30 to August 3.

Come out to cheer on our Twin City Angels!

Camp Here

Experience the perfect blend of relaxation and convenience by camping in Warman. Enjoy the beauty of nature while having city amenities close at hand. Explore nearby walking trails and playgrounds as you make cherished memories with family and friends.

BRIAN KING CAMPGROUND

At the end of 9th Avenue North, nestled behind the Brian King Centre, you'll discover this quaint campground. Offering seven electrified sites, each equipped with a picnic table and wood-burning barbecue, it provides a comfortable retreat. An RV dump station is conveniently available. Restrooms and free showers are just a few steps away in Lions Park.

Fun things in Lions Park include the spray park, picnic tables, playground, gazebo, horseshoe pits, tennis/pickleball courts and a sand volleyball court.

CAMPGROUNDS CAN BE BOOKED through 'My Recreation Account' at **warman.ca**, during operating season (May to September) or call 306.933.2210.

Reservations open on April 1, and are on a first come, first served basis.

Check-in time is 1:00 p.m. Check-out time is 11:00 a.m. Firewood is not provided.

"We like camping in Warman because the sites are spacious, clean and well-treed. It feels safe and family-friendly with the adjacent playground and walking paths. The bathrooms are very clean. We enjoy being greeted by a friendly host who offers assistance of any sort. Warman has great places for coffee, shopping and you can watch a ballgame in the nearby ball park."

- Brenda J.

PRAIRIE OASIS CAMPGROUND

Located within Prairie Oasis Park with access off of 3rd Avenue South, this campground has 25 electrified sites with a water tap, picnic table and campfire pit at each site. An RV dump station is on site, as well as washrooms and free showers for registered campers. Take advantage of the amenities available in Prairie Oasis Park such as walking trails, the lake with a dock for non-motorized water craft, two playgrounds, gazebo with picnic tables, skate park, and BMX track – grab an ice cream or snack at the concession near the ball diamonds.

Rental Facilities

Warman boasts various local facilities ideally suited for business conferences, retreats, reunions, weddings, sporting events, and other special occasions.

Warman's premier rental venues—the Warman Communiplex, the Brian King Centre, and Warman Rodeo Diamond Arena—offer versatile spaces that cater to a variety of formats, sizes, and styles. These exceptional venues provide unique, inspiring, and memorable settings for corporate functions and special events of any scale.

WARMAN COMMUNIPLEX

The Warman Communiplex at 701 Centennial Boulevard is a fantastic facility designed to host a variety of organized events and activities. The 100,000 square foot facility features a regulation size arena with seating for 1,174 and standing room of 500. The arena features a high-quality sound system, above standard lighting, 12 dressing rooms, first aid room, four-sided clock, leisure ice area and a state-of-the-art heat recovery ice plant. With two large gymnasiums that are truly multi-sport with a pulastic floor, this facility is perfect for larger events such as fundraisers, team events, trade shows and graduations.

“I’ve met some amazing families in this amazing community. We are so grateful to be here and for the life we are making.” - Janine C.

The Warman Communiplex offers four multi-purpose rooms that are great for smaller family functions, small banquets, business meetings, conferences and birthday parties. These rooms are also used for many activities such as instructional classes, fitness classes, children's programs and many special events.

Three board rooms complete the Warman Communiplex's community space. These board rooms are perfect for community group meetings, business meetings, training sessions and instructional courses.

RINK EXPANSION – SECOND ICE SURFACE

Construction on the second ice surface at the Warman Communiplex is expected to be completed in time for hockey season this fall. With 2,952 m² on the main floor and 880 m² on the second floor, it will include seating for 205 people and six change rooms, as well as a second-floor lounge space seating up to 150.

This expansion represents a strategic investment in the city's recreational infrastructure, aiming to meet the needs of a growing population and support the development of local sports programs, including the addition of an SJHL team, and will have a positive impact on Warman's local economy by attracting more events and visitors to the area.

SERVING WARMAN, MARTENSVILLE AND SASKATOON

ANTIOCH INDOOR SKATE PARK AND YOUTH CENTRE

Antioch is a 12,000 square foot facility with an indoor skate park and youth drop-in centre at 1200 Boucher Avenue in Warman. More than just a skate park, Antioch is a refuge for young minds and souls. It is a vibrant and encouraging environment for the Warman area youth where mentorship is found and therapeutic interests are nurtured.

Catering to all skill levels, the skate park spans just under an impressive 9,000 square feet. Skateboarding, now an Olympic sport, boosts mental health, addressing ADHD, trauma, depression and loneliness. In addition to being a year-round home for "extreme" sports, Antioch will offer counselling and programs that communicate care, instill resilience and empower youth to do great things! The upper mezzanine offers a common area for video games and socializing. The facility also features an office space for groups and counselling as well as a sanctuary serving as a church space and an area for community events.

To increase Antioch's accessibility, admission will be kept to a minimum. Therefore we rely on the generous contributions from the public. By getting involved, your partnership is instrumental in fulfilling our mission of providing a one-of-a-kind recreational haven in Saskatchewan. When we positively impact a young person, they in turn will become catalysts for positive change, so by choosing to invest in Antioch, you are not only enhancing the lives of young people, but actively contributing to the well-being of our community.

Our Schools

Warman takes pride in its six educational institutions, all delivering top-notch education spanning from pre-kindergarten to post-secondary levels. Each school fosters a nurturing, secure, and inclusive atmosphere, where students can thrive academically, forge friendships and explore their abilities and passions.

ÉCOLE WARMAN ELEMENTARY SCHOOL

École Warman Elementary School is a dual-track English (pre-k to grade five) and French Immersion (kindergarten to grade eight) Public Elementary School in the City of Warman, and proud to be part of the Prairie Spirit School Division. ÉWES also offers a Pre-Kindergarten program for 3 and 4-year-old children and follows the Saskatchewan curriculum in their academic program in both French and English.

École Warman Elementary School students are engaged learners and benefit from inquiry and technology supported learning. In addition, ÉWES offers many clubs and extracurricular activities that allow students to be involved in endeavors that interest them. Their motto *'I learn, I matter, I belong'* is reflected in their culture and daily routines to create a safe, caring and respectful learning environment.

“The schools here are great for kids and we love all the people we've met in this beautiful city!” - Laura M.

HOLY TRINITY CATHOLIC SCHOOL

Providing faith-based education for kindergarten to grade eight, Holy Trinity Catholic School is located in the beautiful, spacious, and modern P3 building shared with Traditions Elementary School and Hopes Home Childcare. A community of learners focused on developing the whole child, Holy Trinity offers full academic programming and a wide variety of extracurricular activities. Holy Trinity is a welcoming community open to all faiths that engages and empowers students to grow in faith, learning, and service, making our world a better place. The motto of the school is *'The courage to love and serve.'* Holy Trinity truly is a great place to discover, grow, and learn!

TRADITIONS ELEMENTARY SCHOOL

Traditions Elementary School offers a kindergarten to grade five program in the Traditions neighbourhood of Warman. Traditions Elementary School is a public school within Prairie Spirit School Division, and is part of a joint-use facility along with Holy Trinity Catholic School and Hopes Home Childcare. Designed to support innovative learning for elementary students, the school's open space design allows for an abundance of natural light flexible learning spaces designed to engage students and enhance learning. Traditions Elementary is proud of its strong reputation as a school that offers excellent learning opportunities and focuses on the holistic support, growth and development of all Titans.

Our mission: *We are a connected community of learners where exploration, creativity, innovation and collaboration make learning exciting. We build relationships that support all learners in that journey.*

Our vision: *'Together, Empowering Learners.'*

Our motto: *WE CAN DO ANYTHING!*

WARMAN COMMUNITY MIDDLE SCHOOL

Warman Community Middle School is a modern and well-equipped school for grades six to eight. With state of the art drama, music and PAA facilities, WCMS also offers special education and learning support services as well as a full slate of athletic, artistic leadership and other extra-curricular opportunities. WCMS is a joint-use facility with the Warman Community Library and the Warman Communiplex offering students access to a vast number of resources and recreational programming. WCMS takes pride in creating a safe, engaging and inclusive learning environment.

WARMAN HIGH SCHOOL

Warman High School serves students from grades nine to twelve and features a triple gym, running track, cafeteria, three science labs, two computer labs, a home economics lab, an industrial arts lab, a resource centre, a fully equipped theatrical stage, a greenhouse, and a TV production studio. There is a full academic program with a broad range of electives including Home Economics, French, Robotics, advanced placement Math programming, Computer Science, and much more. WHS provides strong support for EAL students, inclusive programming, and valuable partnerships with local businesses for Career and Work Experience as well as PAA courses. There are many extra-curricular options, such as drama, gaming clubs and sports. WHS is proud of the facility and the academic program, and has established a tradition of excellence in the academic, athletic and artistic fields.

DID YOU KNOW?

The Warman Senior Drop-in Centre is one of Warman's most historic buildings. Constructed between 1905 and 1907, it originally served as the community's train station for the Canadian Northern Railway and later the Canadian National Railway until 1942, when it was relocated.

An excellent example of early railway architecture in rural Saskatchewan, the station officially closed in the 1980s and was relocated again. Its interior was renovated, and the exterior restored, transforming it into the senior drop-in centre. In 2004, it was designated a Municipal Heritage Property.

SERVICES

Emergency Services

Warman Fire Rescue, RCMP, and Medavie Health Services work together to protect lives and property, ensuring public safety in Warman and area.

Warman Fire Rescue

Warman Fire Rescue is a mostly volunteer service, responding to fire, medical, and rescue calls within Warman and the R.M. of Corman Park. Operating from the Fire Hall on 4th Street and Centennial Blvd, it is the busiest volunteer department in the province and has mutual aid agreements with Martensville, Osler, Dalmeny and Langham. Only the Fire Chief and Deputy Fire Chief positions are full-time.

Warman Fire Rescue is a proactive department with equipment and training equal to all full-time career fire departments with 30 members who carry radios at home and respond 24/7/365. It has mutual aid agreements with Martensville, Osler, Dalmeny and Langham. In 2024, the department handled 489 emergency calls, including 119 fire, rescue, and motor vehicle incidents, and 370 medical responses. Equipped and trained to full-time standards, Warman Fire Rescue collaborates with nearby communities and participates in a regional fire training facility.

Warman Fire Rescue

Warman Fire Rescue members are very involved in our community—chances are you'll see them attending or lending a hand at major community events!

Plus, every spring, they host an open house with a free breakfast, and in the fall, a free BBQ. Stop by to enjoy a good meal and fun family activities while learning more about what they do.

Watch for other events through the year like summer slip and slides at Diamond Hill Park, bike rodeos, Tim Hortons Smile Cookie campaigns, Terrible Carollers and Parade of Lights food bank drives.

Their annual Protective Services Dine and Dance is always a sell-out! Police, Fire, EMS and military personnel don their dress uniforms for a memorable evening with the community. Don't miss it!

Bylaw Enforcement

Warman's Civic Bylaws are important to ensure a clean, safe, and orderly community. The Bylaw Enforcement Office enforces these regulations promptly and courteously.

Our bylaws are local municipal regulations that are decided upon by Warman City Council, and enforced by our Bylaw Enforcement Office. Duties of our bylaw officer includes animal control, responding to inquiries and complaints from the public, educating residents about local bylaws, issuing and processing violation tickets for bylaw infractions, and cooperating with local agencies as needed (the Bylaw Enforcement Office does not deal with Criminal Code offenses). Our bylaw office maintains community standards and public safety. You should call Bylaw Enforcement to report missing or found animals, report an unsightly property, make a parking complaint, or if you have any concerns regarding any Warman bylaw. To view the City of Warman bylaws, go to warman.ca/99.

Some Common Bylaws:

Pets must be licensed to help reunite owners with lost pets and track household pet numbers. Licenses cost \$25 for a pet's lifetime and are available at the Warman Communiplex.

ATV's are prohibited from operating within Warman's city limits. **Snowmobiles are permitted** (if licensed) to travel along the most direct route in or out of Warman, to or from your home. However, there are several streets that prohibit snowmobile traffic: 6th Avenue S., Central St., Centennial and Clubhouse Boulevards – snowmobilers can only cross these streets when they are leaving or entering the city. Snowmobiling is not permitted in or through any of Warman's parks.

RV's are permitted to park along local streets for a maximum of 48 hours attached or unattached, to load or unload.

Waste & Recycling

All Warman households participate in Loraas Disposal Services Ltd. curbside recycling and waste programs, with the option of a curbside organics program.

Each household is supplied with a recycling and garbage cart with collection alternating weeks. Carts must be rolled out by **7 am** on collection day, and not overfilled. Loraas Recycling brochures are available at Warman City Hall or see warman.ca/834 or loraas.ca.

Garbage - Black Cart

Only solid, non-hazardous waste materials including general household garbage, food, yard and garden waste, etc is permitted. Hazardous waste, medical waste, pressure-filled containers, paint, used oil or containers, or electronics cannot be placed in the cart. Some of these items can be disposed of at SARCAN or at the Warman Household Hazardous Waste Day on October 4, 2025.

Recycling - Blue Cart

The recycling program is a single stream recycling program, meaning items do not need to be sorted by the resident. Items that can be recycled are cardboard and boxboard, mixed paper, #1 to #7 plastics, household tin and aluminum. Any other waste is not acceptable in the blue cart.

Organics - Green Bin

The optional Curbside Organics Compost Service is a convenient and affordable way to dispose of fruits, vegetables and plant matter. The fee is \$10 per month added to your City of Warman utility bill for May 1 to October 31. To subscribe: warman.ca/834.

Helping Kids Play

Sometimes, families need financial help to get their kids into a sport or activity. There are several initiatives in our community to help kids get involved in activities that they may not be able to take part in otherwise. Your support is greatly appreciated.

The **Community Culture & Arts Fund** offers funding for children (18 and under) to join programs like drama, art, dance, music, heritage, babysitting courses, workshops and other programs and activities. It supports children in exploring their talents in art, culture, heritage and furthering their education with babysitting courses or attending youth-based workshops or conferences.

KidSport is a children's charity that assists children of families facing financial obstacles to participate in community sport programs. Grants of up to \$750 per year are available for youth under 18, funded by local donations and fundraising. Support KidSport this year! All donations made directly to Warman KidSport qualify for a Charitable Tax Receipt. Learn more at warmankidsport.ca.

Jumpstart is committed to helping all families access a range of activities, from boxing to bowling and skating to skiing, and also helps to fund costs for equipment. Children can be funded for successive seasons in an activity, up to a maximum of \$300 per activity. The annual maximum amount a child is eligible to receive is up to \$600, subject to discretion and/or local demands.

Local Food Banks

There are two wonderful organizations that extend support to individuals experiencing food insecurity, thanks to the generosity of local residents and businesses. If you require assistance, don't hesitate to reach out – and if you're able to lend a hand, consider offering support to your neighbours in need.

The **Warman Food Bank** has operated in our community for over twenty years. What initially began under the oversight of the ministerial committee has evolved into a separate non-profit. They provide grocery gift cards to residents in our region, food pantry for donations from our community, and both gifts and financial support to families at Christmas.

The Warman Food Bank greatly appreciates monetary support or food donations from the community to help fellow Warman residents in need. You can find more information, as well as the "Donate Now" option, at warmanfoodbank.ca.

306-934-7007 | warmanfoodbank@gmail.com

If you are someone from our community who needs a little extra help, reach out to **Hand Up Cupboard**. Located at 215 Nelson Place in Warman, Hand Up Cupboard noticed that there was a large need in our community as well as in surrounding areas, and invite residents of Dalmeny, Martensville, Warman, Osler, Hague and Neuanlage to visit. Hours that the cupboard is open vary from week to week, so watch on Facebook for updated times before stopping by.

With a focus on offering nutritious and fresh food options, Hand Up Cupboard allows guests to choose their own food, similar to shopping in a grocery store. They strive to "give people a hand up, not a handout."

Donations are welcomed!

Cy Warman

Our city was named after Cy Warman to honour his association with railroads and his contributions to literature that celebrated the railway industry.

Cy Warman (1855–1914) was an American-Canadian journalist, author, and poet known as the "Poet Laureate of the Rockies." He wrote extensively about the lives of railroad workers and the development of railroads, which played a vital role in shaping Western Canada. Born in Greenup, Illinois, he grew up on a homestead granted to his father for service in the Mexican War. With limited formal education, he began working at age five as a water boy for a railroad construction crew. Later, he considered becoming a wheat buyer but lost almost everything in a market crash. After several failed ventures, Warman moved to Colorado in 1880, where he worked planting orchards and later in a smelter plant.

During Colorado's railroad boom, Warman was drawn to railroading. He joined the Denver & Rio Grande as a labourer, quickly earning a promotion to fireman. Within three years, he became a locomotive engineer. Due to health reasons, Warman had to give up the railroad work physically, but his passion for it in mind and spirit endured. Though his time as an engineer was brief, his experiences during this period gave him a future livelihood recounting the noises, smells, humour and romance of railroading.

Warman began writing poems and stories about railroad life. In 1888, Warman became editor of the publication *Western Railway*. He sold his interest in *Western Railway* in March 1892 and relocated to bustling Creede, Colorado where he co-founded the *Creede Chronicle* during the height of the region's silver boom. The town rapidly grew from a handful of residents to 10,000, attracting miners, gamblers, businessmen, and infamous outlaws. Warman's newspaper earned a reputation for honesty and truth, with Warman advocating for law and order in a lawless frontier town. The City of Creede, Colorado, Warman's "sister city," continues to honour Cy Warman's legacy.

"I couldn't help writing poetry with such scenery as that to run my engine through." - Cy Warman

After riding from New York City to Chicago in the cab of locomotive, he wrote a railroad story, *A Thousand Miles in a Night* for *McClure's Magazine* in 1892. This was the first of a series of widely popular *True Tales of the Railroad* articles written for *McClure's*, gaining Warman national recognition. His writings caught the attention of the *New York Sun*, who began to publish his work,

including the hit poem *Sweet Marie*, inspired by his second wife. This poem was set to music by Raymon Moore and became a popular success in 1893 (and was later featured in the 1947 film *Life With Father*). One of his notable works, *Tales Of An Engineer: With Rhymes Of The Rail* (1895), is a collection of poems and stories capturing the rhythm and energy of the railroads and those who worked on them. Along with authoring 17 books, he was a regular contributor to magazines like *The Youth's Companion* and *Harper's Weekly*, where his vivid depictions of Western life and the rugged and adventurous spirit of railroaders and the landscapes they traversed captured readers' imaginations. His literary contributions earned him a respected place in early Western American literature.

Warman and his wife lived in New York, Washington for several years from where they travelled Europe, the Far East, and Alaska, settling in 1899 in London, Ontario, where he did consulting and writing work for the Grand Trunk Railway. Around 1904, Western Canada experienced a railway construction boom, with the Canadian Northern rail line expanding across the western territories. Warman travelled with the rail crews, writing about the rail line expansion which helped encourage immigration to the newly-formed provinces of Saskatchewan and Alberta.

On April 11, 1914, Cy Warman died in Chicago after suffering a stroke that left him paralyzed and ill for several months.

In 1905, the settlement initially known as "Diamond," named for the diamond-shaped intersection of the Grand Trunk and Canadian Pacific railway lines, was renamed Warman. This name honoured Cy Warman, recognizing the city's origins as a railway hub and its deep connection to the rail system.

Will the Lights Be White?

*Oft, when I feel my engine swerve,
As o'er strange rails we fare,
I strain my eye around the curve
For what awaits us there.
When swift and free she carries me
Through yards unknown at night,
I look along the line to see
That all the lamps are white.
The blue light marks the crippled car,
The green light signals slow;
The red light is a danger light,
The white light, "Let her go."
Again the open fields we roam,
And, when the night is fair,
I look up in the starry dome
And wonder what's up there.
For who can speak for those who dwell
Behind the curving sky?
No man has ever lived to tell
Just what it means to die.
Swift toward life's terminal I trend,
The run seems short tonight;
God only knows what's at the end –
I hope the lamps are white.*

**From the book of songs and rhymes,
Songs of Cy Warman, 1911**

Cy Warman married his first wife, Ida Blanche Hays, in 1879 and they had one daughter, Charlotte in 1881. Ida died in childbirth (as did the baby) in 1887. Cy married his second wife, Myrtle Marie Jones, in 1892. They had three sons: Dana Cy, born in 1894, Bryan in 1896, and Robert in 1897, and a daughter, Vonda Marie, in 1899. (Vonda, Saskatchewan is named after her.)

History of Warman

Warman boasts a vibrant history rooted in the construction of the railway lines. It has weathered various challenges such as tornadoes, droughts, epidemics, and beyond. Despite these adversities, it has flourished to become the vibrant, modern community it is today.

The Village of Warman was incorporated in 1906, but it actually had its beginning two years earlier, in 1904, when the Canadian Northern Railway (a predecessor of Canadian National Railway) was built from Humboldt to North Battleford. The railway tracks were built parallel to the Dominion Telegraph line originally built in 1876. Warman was located at the intersection of the new east-west CN line and the existing north-south Canadian Pacific Railway line from Regina to Prince Albert.

The original settlement was informally called "Diamond" because of the diamond shape made by the intersecting railway tracks. The name of the settlement was

soon changed to Warman in honour of Cy Warman, a journalist, author and poet who worked as a publicity writer for Canadian Northern and the Grand Trunk Pacific Railway documenting the railway expansion boom in western Canada. There was a large influx of settlers into the area following the construction of the new railway, lured by the promise of a quarter section of farmland for \$10, and also by the business opportunities

in the new community. The railways, newspapers and government encouraged settlement, and Warman soon became a bustling village with a large school, churches, a bank, two hotels, a newspaper, a blacksmith shop, a shoe repair shop, several general stores and even wooden sidewalks. The surrounding rural municipality was also named Warman.

While the railroads were the new town's biggest asset, Warman was handicapped by its lack of a good source of water and also suffered a number of setbacks, including a devastating fire in 1908. A tornado in 1910 also took its toll, as did numerous epidemics of diseases like mumps, measles, chicken pox and scarlet fever. Competition was keen from the nearby city of Saskatoon, and many business people who had lost their buildings to natural disasters chose to rebuild in Saskatoon.

After its promising start, the Village of Warman's population declined in the aftermath of World War I and by 1927 Warman had dropped to unincorporated hamlet status with a population of fewer than 100 people. The community's administrative affairs were handled by the Rural Municipality of Warman. The RM of Warman continued to grow, and by 1932 was the most densely-populated and prosperous of any in Saskatchewan, largely due to the close-knit Mennonite villages in the area. The RM of Warman merged with the RM of Cory and RM of Park in the early 1970s to create the RM of Corman Park. In the 1950s, the community of Warman began to grow again as a result of improvements in transportation. One of the first "bedroom communities" in the province, residents of Warman began to commute to jobs in Saskatoon while raising their families in the small village

By 1961, the population of Warman had grown to 659 residents, and in 1962, it reincorporated as a village. By 1966, Warman was granted town status. Major improvements followed, including treated water piped in from Saskatoon, the installation of storm sewers and paving of streets.

Warman officially became the 16th municipality in Saskatchewan to become a city on October 24, 2012. From there, Warman has become the face of growth among cities in the province. Warman's population was 7084 in 2012. The population soared over the next decade, and Warman is now the eighth-largest city in Saskatchewan with a population of over 13,700.
